Shankara's **Rich Repair Moisturizer – Rose and Life Everlasting** provides skin rejuvenation and age preventing antioxidant protection in a natural, scientifically advanced cream to renew, oxygenate and richly moisturize dry and mature skin. www.shankara.com

Energizing Face Cleanser from Sothys is a 3-in-1 product that cleanses, exfoliates and revives the complexion. Volcanic rock cleanses and removes toxins, while rhyolite grains gently rid skin of impurities. Energizing Face Cleanser can be used as a weekly face mask when left on for five to 10 minutes. 800-325-0503, www.sothys-usa.com or RR# 195

SENTÉ **Dermal Repair Cream** is a new breakthrough cosmeceutical product for twice daily use on the face, hands and neck. The proprietary glycoprotein formulation utilizing a patent pending low molecular weight heparan sulfate, helps the body synthesize the essential proteins that allow your skin to appear rested, smooth and vibrant with a reduction in fine lines, redness, and increased skin hydration. www.sentelabs.com

Infused with new technology stem cells and high levels of antioxidants, TwinLuxe's **Anti-Aging Face SPF 40 Moisturizer** treatment helps build new skin cells and minimizes damage to older cells. It also provides complete Broad Spectrum PA+++ protection from harmful UVA / UVB sun rays, and helps reduce visible signs of fine lines and wrinkles, especially around the crow's feet eye area. 949-502-3754 or www.twinlux.com
