

Twinluxe Grooming and Skincare

Posted by Erik R. Adler, October 20th, 2010

Offering luxury shaving skincare products as well as handcrafted shaving tools and accessories, Twinluxe certainly has come out swinging in its attempt to carve out a spot in the high growth, high competition men's market. The products, designed by Marek Djordjevic (the man behind the Rolls Royce Phantom), work to seamlessly combine modern features and materials with a balancing old-world aesthetic. Check them out [here](#).
