

The Ultimate Grooming Gift Guide

12/21/2010

Got a guy on your list who spends as much time in the bathroom getting ready, as he does in the office? Here are some gift ideas to help him look his best, once he pries himself away from the mirror:

TwinLuxe Shaving Instruments

When you're ready to graduate to a better set of shaving tools, turn to the TwinLuxe Shaving Instruments. **(Full post)** Designed by the same guy who designed the exteriors of the Rolls-Royce, they are made with high-end, top-quality materials that include unbleached German silvertip badger fur, highly wear-resistant PVD coatings, and alumina ceramic, which is used in engine parts and ballistic armor. I guess if it can stop speeding bullets, it can give you an incredible shave.

From \$788 - \$1,588
