The countdown to Father's Day is on! Whatever type of dad in your life, you can bet he likes a good shave and the grooming supplies, after shaves, and shaving kits that will make it a close and comfortable one. Here's a round up of my favorite grooming gifts to spoil him with:

TwinLuxe Ultimate Shave and Skincare Set, \$400

12 of 12

With a vision of merging progressive innovation with precision craftsmanship in mens skincare and shaving, twin brothers, Anthony and Hubert Tsai, created TwinLuxe. With a deep passion for design, materials, and quality in all aspects of life, the two sought to bring these elements to mens shaving, where such elements had yet to be introduced. Making products for varying skin types and needs, TwinLuxe designs with the intention to revolutionize mens skin care and shaving by transforming a daily chore into a desirable daily ritual.

Premium skincare for the modern man, this line combines innovation with precision craftsmanship to deliver high performance skin and shave care. For all skin types. Paraben free. Includes shave cream, face balm, rescue gel, and chrome shave brush.
